

## Vari-Bits & Step Drills

### Lenox® Vari-Bit®

Drills Fast, Clean, Round Holes

- Accurate, burr-free holes.
- Starts on contact. Split point design for faster penetration and less walking.
- Long tool life. Steam oxide coating adds durability. Enhanced flute design removes chips rapidly, ensuring longer tool life.

### M.K. MORSE Step Drills

Use to drill new holes or enlarge existing holes

- Ideal for drilling repetitive holes in a wide variety of materials including steel, copper, brass, plastic, plexiglass and other thin materials.
- Made from high speed steel with double fluted ground cutting edge for long life.
- Offered with a titanium nitride coating on the most popular sizes.
